Title: Abandonment of a Segment of old Route 19 in Tazewell County

WHEREAS, in order to acquire the land occupied by the old alignment of Route 19, a request was received for the abandonment of that portion of the old alignment of Route 19, from 0.69 Miles East of Rte. 639 to 0.82 miles East of Rte. 639, a distance of approximately 0.13 miles;

WHEREAS, this segment was part of project number 6019-092-106 but never properly abandoned; and

WHEREAS, the Department having determined the portion in question would not be necessary for any foreseeable future use of the State Highway System, Department staff, pursuant to §33.1-145, Code of Virginia, 1950, as amended, published the requisite notices to receive public input regarding the proposed abandonment; and

WHEREAS, no comments were received at the public hearing held on February 14, 2011, and Department managers recommend the proposed segment be abandoned because no public necessity exists for the continuance of this section of road as a public road;
