DISTRICT OFFICE

Dear Mr. Hamilton:

The Campbell County Board of Supervisors at its meeting on September 6, 2011 adopted a motion in support of a Scenic Byway designation for Route 24 from Route 29 through Campbell and Bedford County to Route 43 and authorized staff to submit a joint request with Bedford County for DCR and VDOT to study Route 24. The following language was adopted:

"Campbell County is requesting a study by the Virginia Department of Transportation and the Virginia Department of Conservation and Recreation to determine the eligibility of a segment of Route 24 as a Virginia Byway. The segment includes approximately 8 miles of Route 24 (Colonial Highway) between Bedford County and Route 29. We understand Bedford County is making a similar request to study their portion of Route 24 from Campbell County to Route 43. A potential designation as a Virginia Byway is not in direct conflict with any of the adopted goals and objectives of our Comprehensive Plan. We are aware of one historic property along the segment to be studied in Campbell County; Caryswood is located at 8291 Colonial Highway and is privately-owned. It was added to the Virginia Landmarks Register in 2009 and the National Register of Historic Places in 2010. The main house is approximately 500 feet from Route 24."

If you need additional information, please let us know.

Respectfully,

Catherine H. Moore, MMC
Clerk to the Board of Supervisors
