**WHEREAS**, in accordance with the approved de-allocation process, projects that meet the criteria for de-allocation or are cancelled at the request of the locality, have been identified and affected localities have received written notification of the Virginia Department of Transportation's (Department's) intent to remove the Program funds and that those funds be made available for reallocation by the CTB; and

**WHEREAS**, within three years and upon request by the locality, projects affected by this de-allocation action will be granted priority by the CTB, to the extent that the Policy and Revenue Sharing Program Guidelines allow, to receive Program funds in the year of the locality's request and application, if the Department can establish that the requested funding is necessary to complete the project; and

**WHEREAS**, "Attachment A", which is made a part of this Resolution, lists all projects and respective Revenue Sharing Program funding to be de-allocated and the funding amount indicated to be returned to the statewide Revenue Sharing account for distribution.

**NOW, THEREFORE, BE IT RESOLVED**, that the Commonwealth Transportation Board hereby approves the de-allocation of funding from projects as set forth in the "Attachment A" listing.
