RESOLUTION OF THE COMMONWEALTH TRANSPORTATION BOARD

February 21, 2018

MOTION

Made By: Ms. DeTuncq, Seconded By: Mr. Yates

Action: Motion Carried, Unanimously

**Title: Recreational Access to Walton Park
Project RECR-261-003, Louisa County**

WHEREAS, § 33.2-1510 of the *Code of Virginia* sets forth that the General Assembly of Virginia has found and declared that it is "... in the public interest that access roads and bikeways to public recreational areas and historical sites be provided..." and sets aside highway funds for such purpose, "... [w]hen the Director of the Department of Conservation and Recreation has designated a public recreational area as such ... and recommends to the [Commonwealth Transportation] Board that an access road or bikeway be provided or maintained to that area"; and

WHEREAS, the Director of the Department of Conservation and Recreation (DCR) and the Commonwealth Transportation Board (CTB) have adopted a joint policy to govern the use of the Recreational Access Fund pursuant to § 33.2-1510 of the *Code of Virginia*; and

WHEREAS, the Louisa County Board of Supervisors has, by appropriate resolution, requested Recreational Access funds to provide road access to adequately serve recreational facilities located off of Route 1120 within the Town of Mineral and said road access is estimated to cost \$124,000; and

WHEREAS, this request is under consideration by the Director of DCR for full compliance with the provisions of § 33.2-1510 of the *Code of Virginia*; and

WHEREAS, it is anticipated that the Director of DCR will recommend the construction of the aforementioned access; and,

NOW THEREFORE BE IT RESOLVED, that from the Recreational Access Fund \$124,000 (unmatched) be allocated for road construction to provide adequate access to existing and proposed facilities within the Town of Mineral's Walton Park off of Route 1120 in Louisa County, Project RECR-261-003, contingent upon:

1. The Director of DCR recommending the use of the Recreational Access Fund for the construction of the access roadway to the proposed new facilities within Walton Park; and
2. All right of way, environmental assessments and remediation, and utility adjustments being provided at no cost to the Commonwealth; and
3. Execution of an appropriate contractual agreement between the County of Louisa (LOCALITY) and the Virginia Department of Transportation (VDOT) to provide for the:
 - a. design, administration, construction and maintenance of this project; and
 - b. payment of all ineligible project costs, and of any eligible project costs in excess of the respective allocation amount for the roadway access project from sources other than those administered by VDOT.

CTB Decision Brief

Recreational Access – Louisa County Walton Park

Issue: Pursuant to § 33.2-1510 of the *Code of Virginia*, the Louisa County Board of Supervisors has requested funds from the Recreational Access Program to provide adequate road access to proposed new facilities within the Town of Mineral's Walton Park.

Facts: Section 33.2-1510 of the *Code of Virginia* provides that the Commonwealth Transportation Board (CTB) shall expend from funds set aside for the construction of access roads and bikeways to public recreational areas and historical sites under this section of the *Code of Virginia*. Further, this section of the *Code of Virginia* grants the CTB the authority to construct access roads and bikeways to public recreational areas and historical sites when the governing body of the county in which the access road is to be provided passes a resolution requesting the road and when the Director of the Department of Conservation and Recreation (DCR) has designated the public recreational area as such and recommends to the CTB that an access road be provided to that area.

The Town of Mineral owns and operates Walton Park and plans to develop new facilities within the 13.5 acres of recreational area off of Route 1120. The proposed facilities include continued improvements to the pavilion stage, a playground area, soccer fields with permanent goals, and a parking lot. VDOT will administer the design and construction of the proposed road project.

Local Assistance Division has coordinated with DCR staff to confirm support for the project. It is anticipated that the Director of DCR will designate Walton Park as a public recreational area and will recommend utilization of Recreational Access funds to provide adequate access to the park.

Recommendations: The road access project recommended by staff as adequate to serve existing and proposed facilities within Walton Park involves construction of a 18-foot wide asphalt prime and seal roadway, within 60 feet of right of way, from Route 1120 and continuing east, approximately 0.11 mile, to the parking lot. Culpeper District staff has estimated the cost of the road access project to be \$124,000. VDOT recommends that Recreational Access Program funding in the maximum amount of \$124,000 for the construction of road access be approved, subject to certain contingencies.

Action Required by the CTB: Prior to expending funds set aside for access roads to public recreational areas and historical sites, the *Code of Virginia* specifies that the CTB shall declare by resolution that the access road project be provided. A resolution is provided for formal vote.

Result, if Approved: VDOT and Louisa County will proceed with the recreational access road project.

Options: Approve, Deny, or Defer.

Public Comments/Reaction: None

**A RESOLUTION REQUESTING DESIGNATION OF WALTON PARK AS A PUBLIC
RECREATIONAL AREA AND ALLOCATION OF RECREATIONAL ACCESS FUNDS
FOR IMPROVEMENTS**

WHEREAS, Walton Park is owned and is to be developed by the Town of Mineral as a recreational area serving the residents of Louisa County and adjoining localities; and

WHEREAS, the existing public road network does not provide for adequate access to this facility and it is deemed necessary that improvements be made to Route 1120, Sixth Street; and

WHEREAS, the procedure governing the allocation of recreational access funds as set forth in section 33.2-1510 of the *Code of Virginia* requires action by the Director of the Department of Conservation and Recreation and the Commonwealth Transportation Board; and

WHEREAS, a statement of policy agreed upon between the said Director and Board approves the use of such funds for the construction of access roads to publicly-owned recreational or historical areas; and

WHEREAS, the Board has duly adopted a zoning ordinance pursuant to Article 7 (section 15.2-2280 et seq), Chapter 22, Title 15.2 of the *Code of Virginia*; and

WHEREAS, it appears to the Board that all requirements of the law have been met to permit the Director of the Department of Conservation and Recreation to designate Walton Park as a public recreational facility and further permit the Commonwealth Transportation Board to provide funds for appropriate access to this public recreation/historical area in accordance with section 33.2-1510 of the *Code of Virginia*; and

WHEREAS, the Board agrees, in keeping with the intent of section 33.2-406 of the *Code of*

Virginia, to use its good offices to reasonably protect the aesthetic or cultural value of this access leading to or within areas of historical, natural or recreational significance; and

WHEREAS, the Town of Mineral acknowledges that no land disturbance activities may occur within the limits of the proposed access project without the consent of the Department of Transportation as a condition of the use of the Recreational Access Fund.

WHEREAS, the Town of Mineral hereby guarantees that the necessary environmental analysis, mitigation, and fee simple right of way for this improvement, and utility relocations or adjustments, if necessary, will be provided at no cost to the Virginia Department of Transportation; and

NOW, THEREFORE BE IT RESOLVED, on this 20th day of November 2017, that the Louisa Board of Supervisors hereby requests the Director of the Department of Conservation and Recreation to designate Walton Park as a public recreational area and to recommend to the Commonwealth Transportation Board that recreational access funds be allocated for an adequate access road to serve said recreational area; and

BE IT FURTHER RESOLVED, that the Commonwealth Transportation Board is hereby requested to allocate the necessary recreational access funds to provide a suitable access road as herein before described.

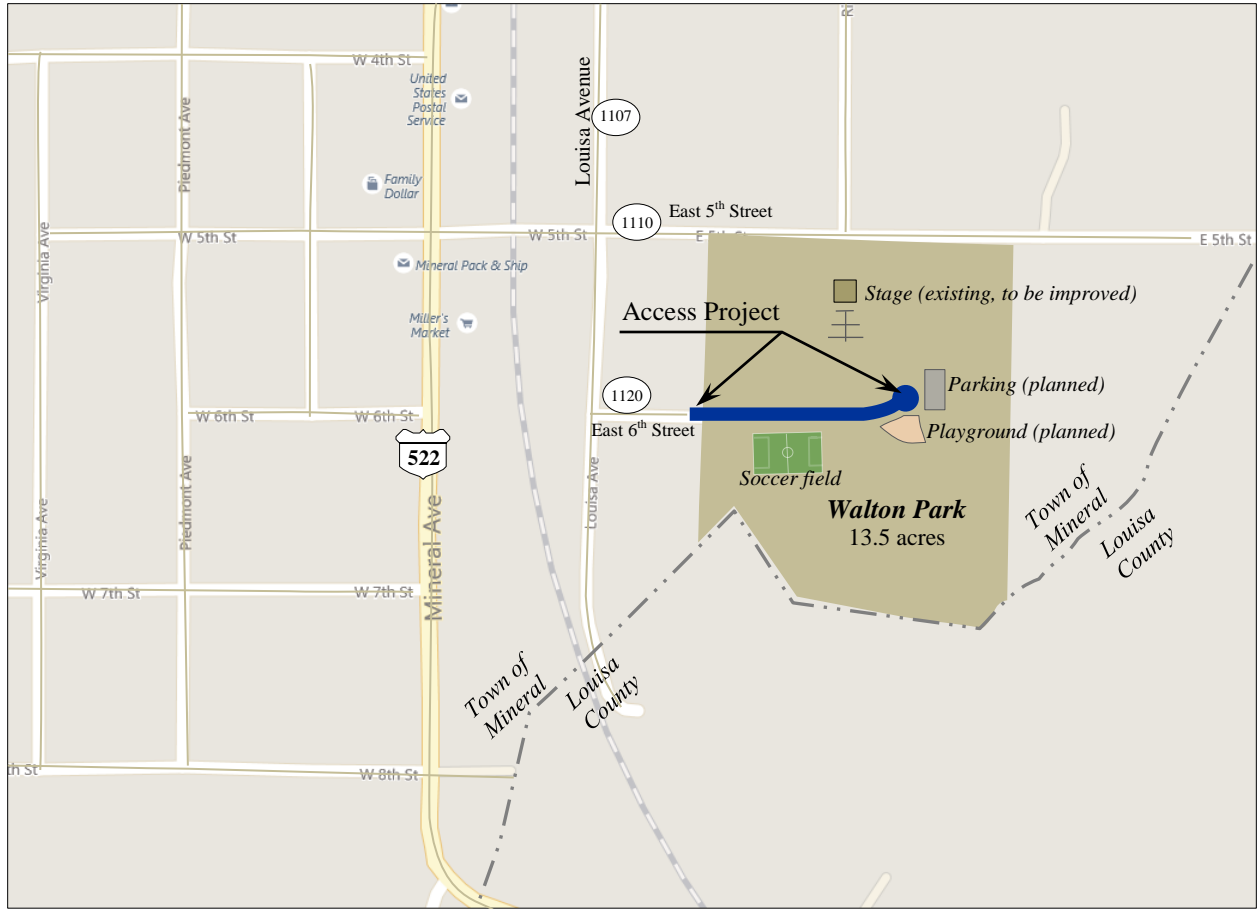

BE IT FURTHER RESOLVED, that the County Administrator and/or his designee(s) be authorized to act on behalf of the Board of Supervisors to execute any and all documents necessary to secure the maximum amount of funding eligible under the Recreational Access Program.

BE IT FURTHER RESOLVED THAT, The County Board of Supervisors hereby agrees that the new roadway so constructed will be added to and become a part of the secondary system of highways.
