**Title: Journey Through Hallowed Ground –
Support for All American Road Designation**

WHEREAS, the Federal Highway Administration is soliciting applications for All American Road designation; and

WHEREAS, the Commonwealth Transportation Board has previously recognized the Journey Through Hallowed Ground corridor for its scenic and historic character through designation as a Virginia Byway; and

WHEREAS, the Journey Through Hallowed Ground Partnership is seeking All American Road designation for the Journey Through Hallowed Ground Virginia Byway based on its scenic and historic qualities, linkage to numerous natural and cultural sites, and unparalleled history and beauty; and

WHEREAS, VDOT and local governments have been included in the development of a Corridor Management Plan that is required for the proposed designation; and

WHEREAS, it is the sense of the CTB that such designation should not limit roadway improvements or maintenance by the VDOT, or prevent the CTB from exercising its general power and duties to locate, construct, improve and maintain all highways in the Commonwealth;

NOW, THEREFORE BE IT RESOLVED, that the Commonwealth Transportation Board does recognize the importance of the Journey Through Hallowed Ground Partnership's application for designation of the corridor as an All American Road.
