MINUTES OF THE MEETING OF THE STATE HIGHWAY  
COMMISSION OF VIRGINIA HELD IN LYNCHBURG  
VIRGINIA, DECEMBER 18, 1930.

On the morning of December 18, 1930, the State Highway Commission, consisting of Messrs. H. G. Shirley, Commissioner, Wade H. Massie, Secretary, H. G. Gilmer and Wm. H. East, met in the Carroll Hotel, Lynchburg, Virginia.

The meeting was called to order by the Commissioner.

Moved by Mr. Gilmer, seconded by Mr. Massie, that the Commissioner be authorized to notify the Mayor of Pulaski that to relieve the unemployment situation they cooperate with him by giving an order to furnish sufficient stone for surfacing Route 212, from Pulaski to Route 10, a distance of approximately four miles. The stone to be of such sizes as may be specified by our engineer and to be placed on or along the route in such quantities as the engineer may direct. Payments to be made for the stone after July 1st, 1931, and at the rate of \$1.50 per ton on road, or \$1.00 per ton f.o.b. truck. Motion carried.

Moved by Mr. Massie, seconded by Mr. Gilmer, that the Commissioner apply the necessary funds from the fund paid by Alexandria on Route 31, Hunting Creek Bridge Approaches, to Alexandria's half of the bridge over Four Mile Run, including the approaches. Motion carried.

Moved by Mr. Massie, seconded by Mr. Gilmer, that the State Highway Commissioner be authorized to notify the National Park and Planning Commission that they will appropriate \$2000.00 toward making a traffic survey in Arlington, Prince William and Fairfax Counties, provided the points covered are located on the State Highways in these counties. Motion carried.

Moved by Mr. Massie, seconded by Mr. Gilmer, that the location of Route 18, north of Lynchburg, be from the James River Bridge over what is known as the Moorman Route, and that when this route has been constructed and opened to traffic that portion of Route 18, extending from Route 311 down the hill to the bridge, be abandoned as a state highway and turned back to Amherst County, all as provided by law. Motion carried.

Moved by Mr. East, seconded by Mr. Massie, that the State Highway Commission approve of applying additional Forestry funds, made available to Virginia, on the road leading from near Buchanan to the Peaks of Otter. Motion carried.
