Potential Multimodal Improvements

Potential Multimodal Improvements

Virginia Railway Express (VRE)
• Additional service (more trains) through Transforming Rail in Virginia Program

Transforming Rail in Virginia Program and Washington, D.C. to Richmond Intercity Passenger Rail Improvements (DC2RVA)
• Additional Amtrak Service
• See project boards

Commuter and Employer Assistance and Outreach
Strategic Marketing and Promotion of Travel Options
• Coordinated marketing messaging and outreach with local and regional commuter assistance programs
• Marketing is targeted to corridor travelers with emphasis on the most congested segments of I-95
• Target employers with high concentration of employees that commute on I-95

Marketing and Promotion of:
• Commute/VA and Commuter Connections website, mobile app, multimodal travel options and ride-matching
• Carpool, vanpool, transit, rail and telework options
• Commute/VA and Commuter Connections rewards for carpool, vanpool, transit, commuter rail, biking and telework
• Existing carpool and vanpool incentives and formation assistance
• Using the Express Lanes free with EZ-Pass Flex and a carpool/vanpool of 3+ (including driver)
