

Six-Year Improvement Program Development Schedule

Annual Cycle

- **October/November** – Fall Transportation Meetings are held to gather input on policy objectives and priorities for the upcoming Six-Year Improvement Program (SYIP) update
- **November 1** – Application deadline for Transportation Enhancement and Revenue Sharing Programs
- **December** – Governor’s Budget Submission and revenue forecasts from Department of Taxation initiate development of draft Six-Year Financial Plan (SYFP)
- **January** – Project priorities are submitted for review (urban, Metropolitan Planning Organization, bridge, paving, etc.)
- **April** – Draft SYIP is presented to the Commonwealth Transportation Board (CTB), public hearings are held, and SYFP is revised based on legislative actions
- **June** – Final SYIP is presented to the CTB for adoption
- **July** – Project budgets are posted in VDOT’s financial system

Six-Year Improvement Program Development Priorities

- Fund deficits on project phases that are currently underway
- Maximize use of federal transportation funds to meet federal strategy
- Fund deficient bridges and paving projects
- Increase funding for preliminary engineering
- Support development of Public-Private Partnerships
- Accelerate existing projects using additional funds
- Allocate funds consistent with planned obligations and expenditures
- Redirect inactive balances on projects
