VDOT in 2010

Plan, deliver, operate and maintain a transportation system that is safe, enables the easy movement of people and goods, enhances the economy, and improves the quality of life.

- **Focused** –
 - Mission centered on maintenance, operations and emergency response
 - Integrated Program Planning and Project Development – “Project is a Project”
 - A tightened and universal General Administration.
- **Scaled Services** –
 - first priority to the highway network that connects people and places of the Commonwealth
 - serves 85% of users and where the majority of crashes occur
- **A Business** –
 - That values, integrates and streamlines partnerships
 - does not replicate every function and service throughout VDOT’s organization
- **Driven by** -
 - rapid deployment of research, technology, and training to ensure best and consistent practices and services
- **Recognizes**
 - that construction funding will be focused on safety, reconstruction and bridge replacement
 - major new construction being episodic
- **An Agency**
 - that will be smaller, providing its services differently and proportioned differently.
