

March CTB Meeting
Projects from the February 22, 2012 Bid Letting

K77

0095-020-145, N501

Chesterfield County

This pavement maintenance project will mill and overlay 5.3 miles of the existing asphalt pavement on I-95 from 0.67 Mi. S Maury St (MM 72.92) to the N End Falling Creek Bridge (MM 67.61). Detours will be used at interchanges and no height or weight restrictions will be necessary. There will be minor impacts to the motoring public due to lane closures. One lane at a time, including turn lanes, loops, ramps, and shoulders will be closed by maintenance work.

Fixed completion October 9, 2013
