Re: Pedestrian Crosswalk Signal

Dear Mr. Revelle:

As we discussed, attached is a City Council Resolution requesting VDOT to reallocate \$60,000 from the remaining balance of our 100% Corner revenue sharing project. These funds will be used to establish a new revenue sharing project to install a Pedestrian Crosswalk Signal system at the intersection of Patton and Bridge Street. The \$60,000 will be transferred from UPC 102938.

Attached is the Revenue Sharing Detailed Application for Funds.

Thank you for your assistance.

Sincerely,

A. Kent Shelton, P. E.
