Re: Pedestrian Crosswalk Signal

Dear Mr. Revelle:

As we discussed, attached is a City Council Resolution requesting VDOT to reallocate \$60,000 from the remaining balance of our 100% Corner revenue sharing project. These funds will be used to establish a new revenue sharing project to install a Pedestrian Crosswalk Signal system at the intersection of Patton and Bridge Street. The \$60,000 will be transferred from UPC 102938.

Attached is the Revenue Sharing Detailed Application for Funds.

Thank you for your assistance.

Sincerely,

A. Kent Shelton, P. E.  
Assistant Director Public Works  
and City Engineer
