Project Number	Sponsor	Applicant	Allocation Information	
<b>Salem</b>				
15079	Botetourt County	Botetourt County	project cost	\$595,438
	Design and construction of the Daleville Greenway, a 10-foot wide trail from the intersection of US-220 and Catawba Road to the intersection of US-220 and International Parkway, a length of approximately 17,300 feet. The trail will connect residential and commercial areas with recreational amenities. The long-range vision connects the Daleville Greenway with other regional trail systems.		request amount	\$476,000
			allocation	\$476,000
15022	Henry County	Henry County	project cost	\$1,285,446
	Phase 6A, the focus of this application, is the design and construction of the Dick & Willie Trail from its existing eastern termini in Martinsville, along Mulberry Creek, to Spruce Street, where a parking trailhead will be situated. The improvements, approximately 2.5 miles in length, include a 10-foot wide paved trail, signage, amenities, and landscaping.		request amount	\$228,000
			allocation	\$228,000
15068	Montgomery County	Montgomery County	project cost	\$1,336,633
	Design and construction of Phases 2D and 3 of the Huckleberry Trail, a 10-foot wide asphalt shared use path from the intersection of Cambria Street and Providence Street to the Christiansburg High School at Independence Boulevard.		request amount	\$250,000
			allocation	\$250,000
15040	City of Radford	City of Radford	project cost	\$696,879
	Preliminary engineering only for the construction of sidewalks from Preston Street at Chelsey Street to Twelfth Street at Staples Street, at McHarg Elementary School.		request amount	\$79,760
			allocation	\$79,760
15071	City of Roanoke	City of Roanoke	project cost	\$1,522,900
	Phase II will complete the restoration of the Virginian Railway Passenger Station, on Jefferson Street SE, for adaptive reuse as a museum for the Roanoke Chapter, National Railway Historical Society and other public uses.		request amount	\$246,000
			allocation	\$246,000
15069	Town of Christiansburg	Town of Christiansburg	project cost	\$460,000
	Design and construction of Phase 3 of the ongoing downtown streetscape improvement project, on North Franklin Street from Commerce Street to Depot Street. The project includes new sidewalks, lighting, and landscaping.		request amount	\$250,000
			allocation	\$250,000
15007	Town of Rich Creek	Town of Rich Creek	project cost	\$468,453
	Phase III is the design and construction of sidewalks on west side of Old Virginia Ave. from Woodland Ave. to Riverside Ave.		request amount	\$264,849
			allocation	\$264,849

# 2015 Attachment A - Final Transportation Alternatives Allocations (FY16)

Project Number	Sponsor	Applicant	Allocation Information	
<b>Lynchburg</b>				
15061	Appomattox County	Appomattox County	project cost	\$546,442
			request amount	\$437,153
			allocation	\$218,577
	<p>The Appomattox Heritage Recreational Trail (AHRT) - Phase 2 Extension will provide for the design, engineering and construction of approximately 5,389 feet of a 10 foot wide gravel multi-use trail. This trail will be the Phase 2 extension of the existing 1.33 miles of the AHRT that has just been completed. When complete the AHRT will be a comprehensive bicycle and pedestrian network loop that will connect historical, cultural and natural area resources.</p>			
15036	Nelson County	Nelson County	project cost	\$1,909,365
			request amount	\$1,000,000
			allocation	\$800,000
	<p>The funding requested will be used for Phase 3 of the construction of the Blue Ridge Crozet Tunnel rehabilitation and trail project. This includes construction of 3,900 linear foot of the western trail and rehabilitation of 1,400 linear feet of the tunnel and western trailhead. Funding provides for clearing, installation of stormwater pipe, temporary silt fencing, inlet and outlet protection, excavation, concrete, steel fencing, construction signs and other project specific expenses.</p>			
15031	City of Danville	City of Danville	project cost	\$406,927
			request amount	\$305,195
			allocation	\$305,195
	<p>The City of Danville is proposing to construct an off street 2560 lf, 10 foot wide asphalt trail with 5 feet graded shoulders. This funding will extend the trail which will terminate at Advance Street and connect an existing trail at Commerce Street.</p>			
15035	Town of Altavista	Town of Altavista	project cost	\$428,315
			request amount	\$260,322
			allocation	\$260,322
	<p>The Gateway project will provide safe pedestrian travel and serve as a gateway to the Altavista community and Central Business District. Funding will provide for three new pedestrian signals and marked crosswalks at Bedford Avenue and 7th Street intersection; upgrade three curb ramps and approximately 2,064 feet of sidewalk. Install street lights and trees.</p>			
15048	Town of Dillwyn	Town of Dillwyn	project cost	\$1,705,326
			request amount	\$244,481
			allocation	\$244,481
	<p>Phase V covers improvement on U.S. 15 from Main/Oak Street to the southern Town limits The project seeks to improve the appearance of the Central Business District while improving safety and providing adequate access for disabled persons. Components of this project include new and improved sidewalks and crosswalks; curb and gutter upgrades to improve safety, landscaping, benches, trash cans and lighting.</p>

Project Number	Sponsor	Applicant	Allocation Information	
<b>Richmond</b>				
15086	Virginia Commonwealth Un	Virginia Commonwealth University Parking & Transportataion	project cost	\$342,770
	Design and installation of bicycle kiosks for a bicycle share program on both campuses of VCU. The program will include 100 bicycles and bike racks at 25 locations; 19 on the Monroe Park Campus and six on the MCV Campus. Bicycles will be made available to faculty, staff, and students.		request amount	\$274,216
			allocation	\$274,216
15063	Chesterfield County	Chesterfield County, Transportation Department	project cost	\$500,000
	Design and construction of a 5-foot wide concrete sidewalk along the west side of Harrowgate Road (Route 144) from Curtis Street to Hyde Park Drive.		request amount	\$400,000
			allocation	\$400,000
15053	Henrico County	Henrico County	project cost	\$284,425
	Design and construction of approximately 1.1 miles of a 10-foot wide asphalt shared use path in Dorey Park from Darbytown Road to the southern terminus of Dorey Park Drive, where it will connect to the Virginia Capital Trail.		request amount	\$227,540
			allocation	\$227,540
15042	City of Colonial Heights	City of Colonial Heights	project cost	\$140,500
	Preliminary engineering only for Phase V of the Appomattox River Trail, which consists of 3,500 feet of 10-foot wide hard-surfaced trail from Roslyn Landing Park to Temple Avenue.		request amount	\$112,400
			allocation	\$102,251
15043	City of Colonial Heights	City of Colonial Heights	project cost	\$75,600
	Preliminary engineering only for the construction of sidewalks on both sides of Boulevard from Temple Avenue to "A" Avenue.		request amount	\$60,480
			allocation	\$50,331
15010	City of Richmond	City of Richmond	project cost	\$600,000
	Design and construction of 3,696 feet of 5-foot wide sidewalk on one side of Carnation Street from Midlothian Turnpike to Hioaks Road.		request amount	\$480,000
			allocation	\$480,000
15012	City of Richmond	City of Richmond	project cost	\$350,000
	This Safe Routes To Schools project is the design and construction of a new 10-foot wide pedestrian trail and a 6-foot wide steel truss pedestrian bridge across Goodes Creek, providing a walkable link from Minefee Street to Oak Grove-Bellemeade School.		request amount	\$280,000
			allocation	\$280,000

## 2015 Attachment A - Final Transportation Alternatives Allocations (FY16)

Project Number	Sponsor	Applicant	Allocation Information	
15016	City of Richmond	City of Richmond	project cost	\$380,000
	This project is the design and construction of a bike lane on Bank Street/Franklin Street from 12th Street to Main Street Station, and sidewalk widening along the north side of Bank Street between 9th and 12th Streets, in the vicinity of the State Capitol Visitors Center.		request amount	\$304,000
			allocation	\$304,000
15067	Town of Alberta	Town of Alberta	project cost	\$416,261
	Design and construction of a segment of the Tobacco Heritage Trail from the renovated caboose to the Alberta School Park, a distance of 0.6-miles.		request amount	\$211,250
			allocation	\$211,250
15078	Town of South Hill	Town of South Hill	project cost	\$388,738
	Design and construction of curb & gutter, sidewalk, and street lighting on East Danville Street from South Mecklenburg Avenue to Brook Avenue. These improvements will connect to previous streetscape improvements.		request amount	\$310,990
			allocation	\$155,495
