WHEREAS, pursuant to § 33.2–908 of the *Code of Virginia*, the Commonwealth Transportation Board may discontinue Virginia Department of Transportation services and jurisdiction over roadways, public landings, or crossings comprising the secondary system of state highways that no longer provide sufficient public convenience to warrant maintenance at the public expense; and

WHEREAS, a request was received from Nelson County Board of Supervisors for the discontinuance of two portions of Route 641 to include Segment A which is from 2.72 miles northwest of Route 640 to 3.57 miles north of Route 640, a distance of 0.85 of a mile and Segment B which is from 5.05 miles northwest of Route 640 to Route 641 (Eades Lane), a distance of 0.07 of a mile; and
