

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
Bristol				
18090	Grayson County	Grayson County	project cost	\$674,938
	Phase III will connect the terminus of Phase II (Intersection of Industrial Rd & Rt. 58) with the Grayson County Recreation Park and its associated trails. This will provide an alternative route for pedestrians from Downtown Independence to the Park.		request amount	\$292,950
			allocation	\$292,950
<hr/>				
18049	Russell County	Russell County	project cost	\$148,325
	The community of Dante will transform their historic railroad depot into the centerpiece of their economic revitalization efforts, providing a rallying point for both Dante's residents and visitors.		request amount	\$118,660
			allocation	\$118,660
<hr/>				
18123	Town of Big Stone Gap	Big Stone Gap Town	project cost	\$693,635
	The Greenbelt Phase V project will extend the existing trail from Bullitt Park to the Italy Bottom community by constructing a bridge across the Powell River and a bike/ped paved trail along the river to a future trail head/park and ride lot.		request amount	\$554,908
			allocation	\$554,908
<hr/>				
18075	Town of Wytheville	Wytheville Town	project cost	\$714,765
	Approximately 1,400 linear feet of brick paver sidewalk connecting previous phases of the Heritage Walk to the Wytheville Visitors Center, Lakes to Florida Museum and Willowbrook Jackson Homestead museum.		request amount	\$310,462
			allocation	\$310,462
<hr/>				
18011	Town of Abingdon	Abingdon Town	project cost	\$369,585
	The purpose of this project will be to acquire the necessary land to construct a Trailhead facility for the Virginia Creeper Trail to include a prefab handicap accessible restroom, picnic facility, and develop a designated parking lot with 8-10 spaces.		request amount	\$295,668
			allocation	\$295,668
<hr/>				
18124	Town of Appalachia	Appalachia Town	project cost	\$260,616
	Powell River Trail Phase III consists of constructing the remaining approximately 0.3+ miles of paved bike/pedestrian trail to connect the existing PRT Phases I & II from Appalachia and connect with Big Stone Gap.		request amount	\$208,493
			allocation	\$208,493
<hr/>				
18088	Town of Lebanon	Lebanon Town	project cost	\$85,700
	The Town is planning to construct a Welcome Gateway with a pedestrian crosswalk at the west end of downtown and a Gateway Pillar at the east end of downtown to provide a new and safe crosswalk from one side of Main Street to the other.		request amount	\$68,560
			allocation	\$68,560

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
18068	Town of Rural Retreat	Rural Retreat Town	project cost	\$596,760
	The proposed improvements will consist of approximately 775 linear feet of 5 foot sidewalk with curb and gutter along both sides of Railroad Avenue and along the east side of Church Street.		request amount	\$257,178
			allocation	\$257,178
18108	Town of Wise	Wise Town	project cost	\$701,300
	Construction of ADA compliant sidewalks, curb and gutter, pedestrian lighting, and crosswalks on Norton Road from Main Street to Chestnut Street and Main Street to Liberty Street.		request amount	\$280,520
			allocation	\$280,520

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
Salem				
18082	Patrick County	Patrick County	project cost	\$916,050
	The sidewalk will provide a safe pedestrian path connecting the retail stores to the Community Center. Traffic count is exceedingly high during the festivals and the fall time of the year. 2049 people visited the Community Center on 10/15/17.		request amount	\$732,840
			allocation	\$732,840
<hr/>				
18094	Roanoke County	Roanoke County	project cost	\$491,606
	This project is construction of 0.30 miles of Roanoke River Greenway underneath the Blue Ridge Parkway, connecting bicyclists and pedestrians safely to other funded sections of the Greenway.		request amount	\$366,606
			allocation	\$366,606
<hr/>				
18015	City of Galax	Galax City	project cost	\$543,000
	Replace 980 linear feet of damaged sidewalk and constructing 45 feet of new sidewalk, creating 11 new handicapped access ramps and 6 street crosswalks marking with traffic signage, to connect homes to all the schools, Public Library and a museum.		request amount	\$434,400
			allocation	\$434,400
<hr/>				
18098	City of Roanoke	Roanoke City	project cost	\$6,520,060
	Phase 2 of the Tinker Creek Greenway will be a 10' wide multi-use shared-use path connecting Fallon Park to the Deschutes Brewery at Mason Mill Park.		request amount	\$484,413
			allocation	\$484,463
<hr/>				
18022	Town of Blacksburg	Blacksburg Town	project cost	\$780,250
	Enhance the pedestrian environment through safety and accessibility improvements along the Main Street sidewalk between Roanoke Street and Washington Street.		request amount	\$600,000
			allocation	\$600,000
<hr/>				
18116	Town of Christiansburg	Christiansburg Town	project cost	\$801,885
	Construction of 5-foot wide sidewalk, curb and gutter, safety lighting, crosswalk signals, flashing beacon, crosswalks and relocation of lighting from the sidewalk of the Falling Branch Intersection Project to Hubble Drive opposite the Park and Ride.		request amount	\$641,508
			allocation	\$249,373
<hr/>				
18001	Town of Boones Mill	Boones Mill Town	project cost	\$257,685
	The 1897 Boones Mill Depot is a National Register Historic Site. A previous VDOT TA project stabilized the depot site. The Town and its volunteer team now propose to restore the historic interior of the depot to be a community center and museum.		request amount	\$206,148
			allocation	\$206,148

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
Lynchburg				
18031	Amherst County	Amherst County	project cost	\$1,011,610
	<p>The Riveredge Trail, when completed, will extend from Riveredge Park to the existing James River Heritage Trail. This application is for the design of Phase 4, the final 1,800-foot section of the Riveredge Trail that will tie into the James River Heritage Trail. Previously, TA funds were allocated for the design of Phase 3 of the trail. Ultimately, the trail will create a safe and seamless pedestrian and bicycle connection between Madison Heights and Lynchburg City, a recognized area trail priority corridor.</p>	request amount	\$60,000	
		allocation	\$60,000	
18106	Halifax County	Halifax County	project cost	\$594,798
	<p>Design of a 3.0-mile extension of the Tobacco Heritage Trail (THT) from the current western termini of the THT at South Boston to the Berry Hill Plantation, and construction of 1.6-miles of that extension from Miry Creek to the Berry Hill Plantation. This project was allocated TA funding in FY2018. This application is for additional TA funding.</p>	request amount	\$166,798	
		allocation	\$166,798	
18072	Nelson County	Nelson County	project cost	\$1,665,154
	<p>The final phase of the Blue Ridge (Crozet) Tunnel Rehabilitation and Trail Construction Project consists of construction of the western trail from the western tunnel portal to the western trail-head and surfacing of the eastern trail.</p> <p style="padding-left: 40px;">This application is also shown in the Staunton District and with the Staunton District allocation it is fully funded.</p>	request amount	\$1,332,123	
		allocation	\$1,147,123	
18070	City of Danville	Danville City	project cost	\$561,375
	<p>Design and construction of a shared-use path from the future Riverfront Park to the intersection of the Union Street Bridge & Memorial Drive, a length of 2500-feet.</p>	request amount	\$357,680	
		allocation	\$357,680	
18073	City of Danville	Danville City	project cost	\$205,000
	<p>Design and construction of a multi-use trail from Robertson Bridge to the intersection of Riverside Drive & Park Avenue, 865-feet in length.</p>	request amount	\$164,000	
		allocation	\$164,000	
18013	City of Lynchburg	Lynchburg City	project cost	\$1,314,388
	<p>Renovation of an existing abandoned railway trestle over Langhorne Road and construction of an asphalt extension of Lynchburg's Blackwater Creek Trail (a section of the James River Heritage Trail System) from the Ed Page Entrance to Linkhorne Middle and Elementary Schools. This project was allocated TA funding in FY2018. This application is for additional TA funding.</p>	request amount	\$300,000	
		allocation	\$300,000	

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
18014	City of Lynchburg	Lynchburg City	project cost	\$437,500
<p>The Atlanta Avenue Trail is proposed to be a multi-use path on the north side of Atlanta Avenue from Wards Ferry Road to Wards Road, Route 29 Business. This application is for the funding of the Preliminary Engineering and Right of Way phases of the project.</p>			request amount	\$350,000
			allocation	\$350,000
18007	Town of Altavista	Altavista Town	project cost	\$889,110
<p>Design and construction of approximately 2,100-feet of new sidewalk, three pedestrian signals, three ADA curb ramps, and crosswalks at locations in Altavista's Central Business District. This project is the last phase of the downtown streetscape project using TA funds. This application is for additional TA funding.</p>			request amount	\$192,636
			allocation	\$192,636
18074	Town of Halifax	Halifax Town	project cost	\$495,361
<p>Design and construction of street lighting, pedestrian crosswalks, signage, and landscaping connecting the Halifax County War Memorial and the Halifax Courthouse Square along Route 360, Mountain Road, (a Virginia Byway), and Route 501, North Main Street. This project was allocated TA funds in FY2018. This application is for additional TA funding.</p>			request amount	\$231,444
			allocation	\$231,444

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
Richmond				
18033	Chesterfield County	Chesterfield County	project cost	\$1,180,000
	Preliminary engineering, Right-of-Way, and Construction of a 5-foot wide concrete sidewalk, 10-foot wide asphalt trail, and marking and signing a neighborhood byway on various streets, connecting the Bon Air Library, Bon Air Elementary School, community association, and shopping center to the surrounding community.		request amount	\$944,000
			allocation	\$944,000
18122	Chesterfield County	Chesterfield County	project cost	\$900,000
	This project consists of the design and construction of a 10-foot wide asphalt trail on Brandermill Parkway between Quail Hill Drive and Old Hundred Road; and a 5-foot wide concrete sidewalk on Old Hundred Road between Brandermill Parkway/Kelly Green Drive and Hunts Bridge Lane.		request amount	\$720,000
			allocation	\$720,000
18112	Goochland County	Goochland County	project cost	\$250,000
	Design and construction of a 10-foot wide multi-use path approximately 8,600-feet in length linking the Virginia Farm Bureau to the West Creek Emergency Center. This project will interconnect residential, office, and commercial uses. It is proposed to be located within an existing County utility easement.		request amount	\$200,000
			allocation	\$200,000
18095	Henrico County	Henrico County	project cost	\$345,000
	Design and construction of a 0.6-mile long, 12-foot wide asphalt multi-use trail along the west side of Woodman Road Extended between Greenwood Road and the River Mill Development.		request amount	\$276,000
			allocation	\$276,000
18114	City of Hopewell	Hopewell City	project cost	\$949,579
	This project connects two shared-use paths, four schools, six parks, and downtown destinations to a new city-wide network of bicycle routes. The new bicycle routes will consist of the design and construction of basic bicycle lanes, buffered bike lanes, and the use of sharrows, in seven distinct segments, at various locations.		request amount	\$759,663
			allocation	\$759,663
18030	City of Richmond	Richmond City	project cost	\$300,000
	Design and construction of a new traffic signal including pedestrian signal heads, ADA ramps, and crosswalks at the intersection of Route 60, Semmes Avenue, and 34th Street, at the Patrick Henry School of Science and Arts. This project is the first phase of a two phase project.		request amount	\$240,000
			allocation	\$240,000

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
18051	City of Richmond	Richmond City	project cost	\$525,000
	<p>Design and construction of a 10-foot wide shared use path along Stony Run Road from Williamsburg Road to Government Road with crosswalks at both termini. This is the 2nd phase of a multi-phased project, and 1st of two phases proposed to be funded by the TA program. When completed, the 2.5-mile Gillies Creek Greenway will extend from the Virginia Capital Trail adjacent to the James River to the Fulton & Oakwood communities.</p>		request amount	\$420,000
			allocation	\$420,000
18058	City of Richmond	Richmond City	project cost	\$525,000
	<p>Design and construction of a 10-foot wide shared use path along Stony Run Road from Government Road to Jennie Scher Road with crosswalks at both termini. This is the 3rd phase of a multi-phased project, and the 2nd of two phases proposed to be funded by the TA program. When completed, the 2.5-mile Gillies Creek Greenway will extend from the Virginia Capital Trail adjacent to the James River to the Fulton & Oakwood communities.</p>		request amount	\$420,000
			allocation	\$420,000
18069	City of Richmond	Richmond City	project cost	\$477,000
	<p>This is one of two applications for a proposed project to connect the existing Canal Walk to the Virginia Capital Trail. This application is for the design of the entire length of the proposed trail project, from the existing Canal Walk at Haxall Point to the existing Canal Walk near the current western termini of the Virginia Capital Trail near Dock Street, and for the construction of a trail segment, known as Phase I, from Haxall Point to Virginia Street, including an ADA ramp from the south side of the Canal Walk to street grade at Virginia Street and East Byrd Street.</p>		request amount	\$381,600
			allocation	\$381,600
18078	City of Richmond	Richmond City	project cost	\$500,000
	<p>Design and construction of a pedestrian crossing traffic signal at Route 60 (Semmes Avenue), Forest Hill Avenue, and Dundee Avenue, adjacent to the Patrick Henry School of Science and Arts. This is the second phase of a two phase project and also includes traffic circulation improvements in this vicinity.</p>		request amount	\$400,000
			allocation	\$400,000
18087	City of Richmond	Richmond City	project cost	\$550,000
	<p>This is one of two applications for a proposed project to connect the existing Canal Walk to the Virginia Capital Trail. This application is for the construction of a trail segment, known as Phase II, from the Virginia Street to the current western termini of the Virginia Capital Trail near Dock Street. This phase will also construct a shared-use bridge over Kanawha Canal near the junction of the Canal Walk and the Virginia Capital Trail.</p>		request amount	\$440,000
			allocation	\$440,000

2018 Tentative Transportation Alternatives Allocations (FY19/20)

Project Number	Sponsor	Applicant	Allocation Information	
18092	Town of Blackstone	Blackstone Town	project cost	\$299,442
	Design and construction of sidewalks along Jackson, Powell, and Birch Streets, which connect to existing sidewalks within the Town.		request amount	\$239,553
			allocation	\$239,553
18102	Town of Alberta	Alberta Town	project cost	\$507,461
	Design and construction of a segment of the Tobacco Heritage Trail from the renovated caboose to the Alberta School Park, a distance of 0.6-miles. This project was previously allocated TA funds. This application is for additional TA funds.		request amount	\$185,145
			allocation	\$185,145
18096	Town of Brodnax	Brodnax Town	project cost	\$515,368
	Renovation of the historic railroad depot located adjacent to the Tobacco Heritage Trail in downtown Brodnax. The renovated depot will serve as a trailhead facility. This project was allocated TA funds in FY2018. This application is for additional TA funds.		request amount	\$248,638
			allocation	\$248,638
