Note: Any applicant receiving less than 50 points will not receive a favourable recommendation from the staff, unless there are extenuating circumstances

In the event that two or more projects receive identical scores, the Fiscal Stress Index developed by the Commission on Local Government may be used to determine funding priority.

Forms of property control other than ownership will be considered.

These situations will have to be studied on a case by case basis due to the potential for loss of connecting service.

Use unemployment data for the latest available period.
