Buckingham Branch Railroad
Doswell, Virginia

Jeremy Latimer
Director of Rail
Programs

Project
Location:

Buckingham
Branch Railroad
Doswell, VA

Project Location:

Buckingham Branch Railroad
Doswell, VA

Project Summary

- **Buckingham Branch Railroad's Doswell transload facility expansion will support Nestle-Purina Pet Care Company's expansion in King William, Virginia.**
- **The expansion will allow shipment of over 100,000 tons of clay per year by rail and help divert inbound truck traffic from secondary roads and highways.**

Project Summary

- **Application for \$450,000 in Rail Industrial Access Funds**
 - **\$12.4M Total Estimated Capital Expenditure**
 - **Track expansion and connection to mainline**
 - **Plant expansion in King William, VA**
 - **\$600,000 Estimated Rail Project Cost**
 - **Other than the \$450,000 grant, capital expenditures will be paid for by the applicant**
 - **Cost overruns responsibility of applicant**

Public Benefits

- **Public Benefits:**
 - **956 railcars annually with an estimated additional 205 carloads due to the expansion**
 - **37 new jobs associated with this facility**
 - **100% of inbound shipping by rail**
- **Application scores 66 of 100 points**
- **Minimum threshold will be 10 new carloads**
