CTB Decision Brief
Abandonment of a Previously Discontinued Portion of old Route 58
Located in Washington County

Issue: The Washington County Board of Supervisors has requested the Virginia Department of Transportation (VDOT) abandon a 0.28 mile segment of a previously discontinued portion of old Route 58 in Washington County.

Facts: The State Highway Commission, predecessor to the Commonwealth Transportation Board, passed a resolution on July 8, 1963, discontinuing a portion of old Route 58, upon the reconstruction of Route 58 nearby. The 0.28 mile segment currently being requested for abandonment is the same portion of roadway, which was discontinued in 1963.

The Washington County Board of Supervisors requested, by resolution on November 12, 2019 (Exhibit A, attached), the abandonment of the 0.28 mile segment of old Route 58 (segment identified as “A – B” noted in “Blue” on Exhibit B, attached).

Upon review of the area, VDOT staff determined the 0.28 mile segment of old Route 58 should be abandoned as a part of the Primary System of State Highways, pursuant to § 33.2-902 of the Code of Virginia, since no public necessity exists for the continuance of the segment as a public road.

Pursuant to and in accordance with § 33.2-902 of the Code of Virginia, VDOT published a “Notice of Intent to Abandon” in the Bristol Herald Courier publication (Exhibit C, attached). No requests for public hearing were submitted during the requisite 30-day time frame.

Recommendations: VDOT recommends the Board approve the abandonment of the 0.28 mile segment of old Route 58 referenced above.

Action Required by CTB: The Code of Virginia requires a majority of the Board’s members to approve the change proposed in this brief. A resolution describing the proposed segment to be abandoned is provided for the Board’s consideration.

Result if Approved: If approved, VDOT will suspend all its maintenance activity on the roadway segment.

Options: Approve, Deny or Defer

Public Comments/Reactions: A public hearing was not requested during the requisite time frame.
