MOTION

Made By: Mr. White Seconded By: Dr. Davis Action: Motion Carried, Unanimously

Title: Statewide Abandonment in the Primary System of State Highways

WHEREAS, the project listed below relocated a segment of an existing primary system roadway to a new alignment, caused the segment identified to no longer warrant maintenance at public expense, and was ordered by the Board discontinued from maintenance on May 19, 1966; and

WHEREAS, the abandonment of such a road removes it from public use and makes it possible for the right of way to be conveyed by the Board or the local government, based on ownership of the underlying fee title; and

WHEREAS, an interested party has expressed interest in acquiring the old right of way of the subject roadway and a properly held public hearing determined there were no objections to the old segment of roadway being abandoned.

NOW, THEREFORE, BE IT RESOLVED, the roadway segment identified below and depicted on the sketch for project: 0041-071-101, C-502, is hereby ordered abandoned as part of the Primary System of State Highways, effective this date, pursuant to §33.1-145 of the Code of Virginia, 1950, as amended.
