**Title: Recreational Access (De-allocation) – New Kent County, Project 0710-063-166, N501  
Eltham Fishing Pier & Park**

**WHEREAS**, § 33.1-223 of the Code of Virginia sets forth that the General Assembly of Virginia has found and declared that it is "...in the public interest that access roads and bikeways for public recreational areas and historical sites be provided..." and sets aside highway funds for such purpose, and further provides that "The Commonwealth Transportation Board, with the concurrence of the Director of the Department of Conservation and Recreation, is hereby authorized to make regulations to carry out the provisions of this section."; and

**WHEREAS**, the Commonwealth Transportation Board, at its May 17, 2006 meeting, allocated from the Recreational Access Fund \$350,000 for road access and \$45,000 for bikeway access to Eltham Fishing Pier & Park, Project 0710-063-166, N501, off State Route 33, subject to certain contingencies; and

**BE IT FURTHER RESOLVED** that the \$395,000 previously allocated to Project 0710-063-166, N501, be returned to the Recreational Access Fund.
