MOTION

Made By: Mr. White Seconded By: Mr. Davies Action: Motion Carried, Unanimously

Title: Abandonment of Primary System Frontage Road F-907
From: 0.57 miles south of Route F906 To: 0.77 miles south of Route F906,
a distance of 0.20 miles, From the State Highway System, Lynchburg, Virginia

WHEREAS, Liberty University requested the abandonment of the above described portion of the subject frontage road from the State Highway System in order to acquire the land occupied by the road and thereby facilitate further development of the University's property; and

WHEREAS, an order of abandonment extinguishes the public servitude on the land represented by a road, terminates VDOT's operation and maintenance of the subject roadway, and enables the subsequent conveyance of the right of way by the Board or the local government to interested parties, depending on the ownership of the underlying fee title; and

WHEREAS, in response to the University's request, the Department implemented the procedures established under §33.1-145, *Code of Virginia 1950 as amended*, to determine if there was any opposition to the proposal, to determine if there was any reason for the road to remain a public road, and a part of the State Highway System; and

WHEREAS, the proposed abandonment is supported by the local government without opposition and Department managers have determined the segment of roadway in question is not necessary for the purposes of the State Highway System;

NOW, THEREFORE, BE IT RESOLVED, that the above described roadway segment is hereby ordered abandoned as part of the State Highway System, pursuant to § 33.1-145 of the *Code of Virginia, 1950, as amended*, effective this date.
